

**EXPERTS IN ENVIRONMENTAL TRADING**

**LARGEST INDEPENDANT TRADER OF ENVIRONMENTAL CREDITS**

## Experts in Environmental Trading

### Who are Greenbank?

Greenbank is the largest independent trader of Environmental Credits in Australia. We employ a team of people in our busy data centre where we participate as a wholesaler in the voluntary carbon market, supplying various environmental credits to the various markets. Using Greenbank as your service provider will give you a competitive edge, a streamlined paperwork trail, fast payment terms and a happy working relationship.

### Why choose Greenbank for your Environmental Trading?

#### A Dynamic Industry Leader

Our team of dedicated staff make trading with Greenbank a breeze. Great customer service and an intense up to date knowledge of the market have made Greenbank the obvious choice for all Environmental trading services and requirements.

#### Largest Independent Trader of Environmental Credits

Being the largest independent trader of environmental products we are able to supply you with the quantities you need, when you need them.

#### Reducing the Complexity of Carbon

Our dynamic team keep themselves up to date with pricing through the use of the latest Reuters trading screen. Greenbank is very active in the carbon space and can help your business get ready for the upcoming carbon abatement regulations.
